FOLD

Instructions:

1. Cut out the cover insert, on page 1, around the outer
      perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.

4. Cut out the tray insert, on page 2, around the outer
      perimeter.
5. The right-most long narrow title "tab", on the tray
      insert, is for CD case with a transparent tray.
      Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title"tabs" to a 90 degree
      angle, away from the main tray cover portion. If the
      right-most "tab" is retained for a transparent tray, fold
      that "tab" 90 degrees again, away from the title
      "tab" next to it. The text should appear around the
      exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat
      against the case.

10. Please appropriately discard this portion and the scrap bits
      of paper.
